You and your child just practiced important school-readiness skills!

- Being a friend
- Fair ways to play
- Expanding vocabulary

Think of ways you like to play with a friend.

How do you help each other?
When do you share or take turns?

FRIENDSHIP WORDS

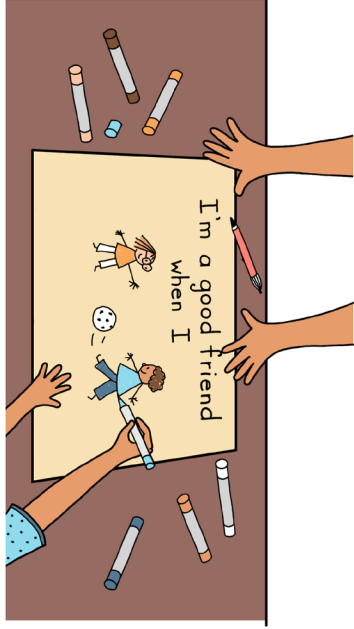

Play - invite, take turns, share

Care - help, be kind, thank

Cooperate - solve a problem, work it out

Make your poster.

Draw a picture of something you do that makes you a good friend.
